Purpose of Amendment (describe the reason There were mistakes in the pre-travel submission, the	for amending original submission): Frankly, I think there was a lot of confusion with the submission directions. en there was a mistake in the post-travel submission - both requiring resubmissions.
My understanding was that Hoover submitted	ed the attached document in the pre-travel submission. Subsequently, I
was told that my submission was good.	. Obviously, this was not the case. I apologize for the delay.
